

Pneumatic Tools

Large Right Angle Disc Sanders & Grinders

Application Sectors

- Aerospace
- Ship Building
- Foundries
- Fabrication
- Automotive

Recommended Consumables

- Grinding Discs
- Cutting Discs
- Resin Fibre Discs
- Flap Wheels

Key Points

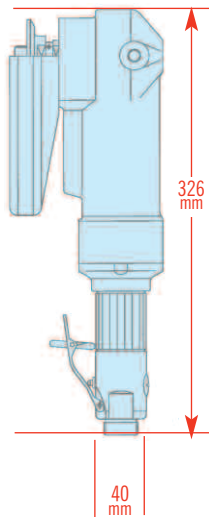

- Supplied with anti-vibration handle as standard
- Rugged design for the most demanding environments
- Use 230mm wheels on model RA6
- Use 170mm wheels on model RA8

Areas of Use

For heavy sanding, grinding, deburring and finishing with consumables of 170-230mm diameter

RA8AVH

Model Ref.	RA8AVH	RA6AVH
Speed (rpm)	8,500	6,500
Power	1.50kW / 2.00Hp	1.50kW / 2.00Hp
Weight (kgs)	3.5	3.5
Noise Level (dbA)	79	79
Flange Size (mm)	22.2	22.2
Air Usage (m ³ /min)	1.90	1.90
Exhaust	Front	Front
Control	Lever throttle	Lever throttle
Hose	Option-3/4"	Option-3/4"
